港大青藜教育大使

REGISTRATION DAY

2024港大青藜教育大使於九月至十月的四個星期六進行，我們成功招募數十位來自本港不同學校、對內地教育資源薄弱地區議題有興趣的中學生。計劃繼續以「認知」、「體驗」、「行動」為核心，其中活動包括與雲南受資助學生視頻通話、程介明教授主持的講座、港大青藜教育大使體驗日等，內容涵蓋留守兒童議題、內地教育資源薄弱地區變遷講解等。中學生作為未來領袖，我們不僅希望他們透過活動深入關注教育資源薄弱地區的情況。更在未來共同推動教育事業的發展，讓更多內地教育資源薄弱地區的孩子受惠。

Cultifuture Education Student Ambassador, HKU took place on four Saturdays from September to October, successfully recruiting dozens of secondary school students from different schools in Hong Kong who are interested in issues related to education resources in underprivileged areas in mainland China. The program continues to focus on "Awareness," "Experience," and "Action," with activities including video calls with sponsored students from Yunnan, lectures hosted by Professor Cheng Kai Ming, and the Cultifuture Education Student Ambassador Experience Day. The content covers topics including left-behind children and explanations of changes in education resources in underprivileged areas in mainland China.

As future leaders, we not only hope that these high school students will deepen their awareness of the situation in educationally underserved areas through these activities but also work together in the future to promote the development of education, benefiting more children in underprivileged areas with limited educational resources.

FRESH PROJECT

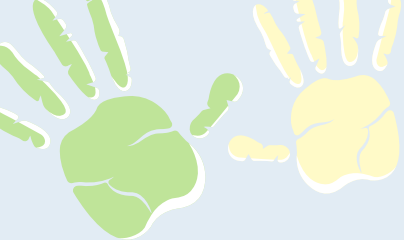

香港大學學生青藜教育小組於十月七日至十日在大學街舉辦了為期四天的義賣活動。本次活動共招募了九位參加者。參加者們親自設計攤位及積極籌備義賣。今年的義賣活動更別出心裁，新增了DIY漆扇及書籤等項目，吸引了不少顧客。義賣活動所得的收益在扣除必要開支後將全數捐出，用於改善中國內地教育薄弱地區孩子們的學習資源，並為他們的未來注入更多希望。Fresh Project不僅是一次為慈善事業籌款的活動，也是讓參與者發揮創意和組織能力的難得機會。

The Fresh Project was held from the 7th to the 10th of October 2024 at the University Street. Nine participants joined the charity sale, all of whom acted as organizer. They designed the booths and proactively promoted the event. Their concerted efforts aimed to raise funds to assist more underprivileged rural students.

This year, we have organized a DIY fan & bookmark workshop. All proceeds, net of necessary expenses, will be used to subsidize the tuition fees of students and improve educational resources for underprivileged students in the underdeveloped regions of China. It is not only a fundraising activity but also provides a valuable chance for participants to showcase their creativity and organizing skills.
